<b>Options and accessories</b> <sup>14</sup>	3-pin 65 W HSF AC adapter • ProDock III (NP.DCK11.019) • USB C Docking Station (NP.DCK11.01F)			
<b>System compliance</b>	ENERGY STAR®, Wi-Fi®, GS, EPEAT® Gold, HSF, Mobile PC 2002, ACPI 3.0			
<b>Warranty</b>	<b>NEU: 3 Jahre On-Site Garantie</b>		<b>Optional:</b> Acer Care Plus 3 Jahre Vor-Ort-Service nbd (inkl. 1 Jahr ITW1) (SV.WNBAP.A12)	
<b>Quality and reliability tests</b>	Temperature and humidity Hinge life Weight and pressure	Acoustics Spillage Free drop	Shock and vibration Electrostatic discharge immunity Keyboard-switch life	MTBF (mean time between failures)
1.	Specifications vary depending on model.	9.	Subject to availability.	
2.	64-bit software is required to enjoy the advantages of 64-bit processing.	10.	Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.	
3.	Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.	11.	The battery will hold up to 80% of its original capacity after as many as 1000 recharges. A full recharge comprises a complete charge-and-discharge cycle, and does not always occur each time the notebook is plugged in to a power source, as several partial recharges can add up to a full recharge.	
4.	Memory speed may vary, depending on the CPU, chipset or memory fitted.	12.	The listed battery life is based on MobileMark 2007® productivity mode testing with wireless on. Details of MobileMark 2007® testing are available at www.bapco.com. Battery life rating is for comparison purposes only. Actual battery life varies by model, configuration, applications, power management settings, operating conditions, and utilized features. A battery's maximum capacity decreases with time and use.	
5.	All brands and product names mentioned herein include trademarks of their respective companies and are used solely to describe or identify the products.	13.	Bundled software may vary depending on hardware configuration, OS and regional availability.	
6.	Resolution/refresh rates depend on display capability and color/depth settings.	14.	HSF: Hazardous Substance Free	
7.	1 GB is 1 billion bytes, 1 TB is 1000 GB. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space.			
8.	Actual throughput may vary depending on network conditions and environmental factors such as network traffic or overhead, building construction and access point settings.			

In a continuing effort to improve the quality of our products, information in this document is subject to change without notice. Images shown are only representations of some of the configurations available for this model. Availability may vary depending on region. As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called "non-conforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acer's warranty. © 2016. All rights reserved.
